VERNON S. BRODERICK, United States District Judge:

A proposed Case Management Plan was filed on the docket on July 31, 2023. In the Case Management Plan, the Parties requested that I refer the parties to the Southern District's Mediation Program. (Doc. 342.) The Parties were previously referred to mediation on June 5, 2017, (Doc. 27.), and a final report of the mediator was filed on April 7, 2019 reporting that court-ordered mediation was unsuccessful in resolving any issue in the case. (Doc. 87.) Should the parties wish to be referred to a Magistrate Judge for settlement discussions or to be referred to the Southern District's Mediation Program for mediation, they should file a letter on the docket on or before August 4, 2023.

SO ORDERED.
